## PROFILE

*I love meeting new people, putting myself in their shoes and documenting what their lives are like. Last year I was a photo fellow with the Tampa Bay Times, where I created visual content around the Tampa Bay. I'm back home in North Carolina until I embark on my next endeavor. I'm a recent graduate of UNC-Chapel Hill with a degree in media and journalism. My work is seen in the Tampa Bay Times, the Raleigh News & Observer, The Daily Tar Heel and NPR.*
